

# Hva er nå egentlig kalkmørtel?

Camilla Sandem Dhelie.  
Siv.Ing, Fasade/Rehabilitering.

3. Mai 2012

# En liten agenda...

Historien bak mørtel

Kalk og sement

Vanlige skader og utbedringer

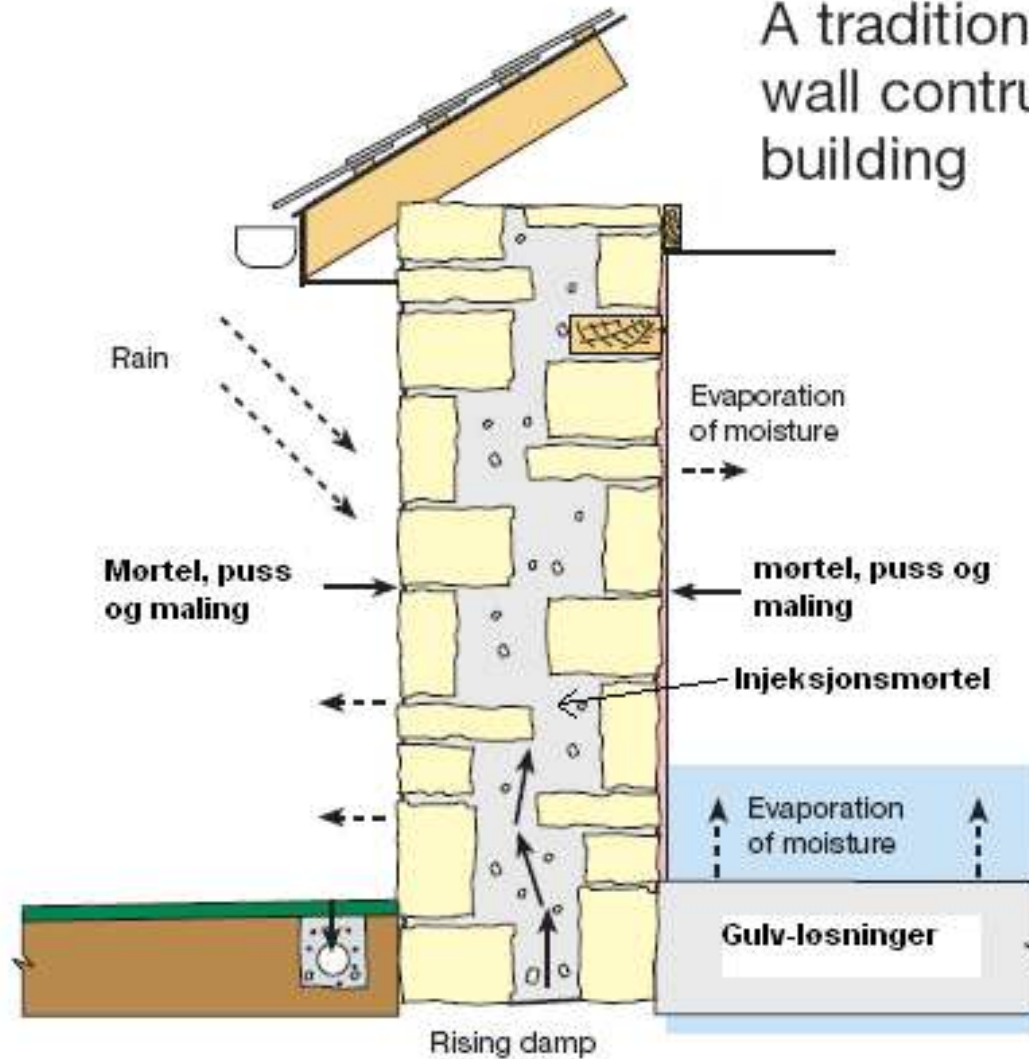

Vedlikehold

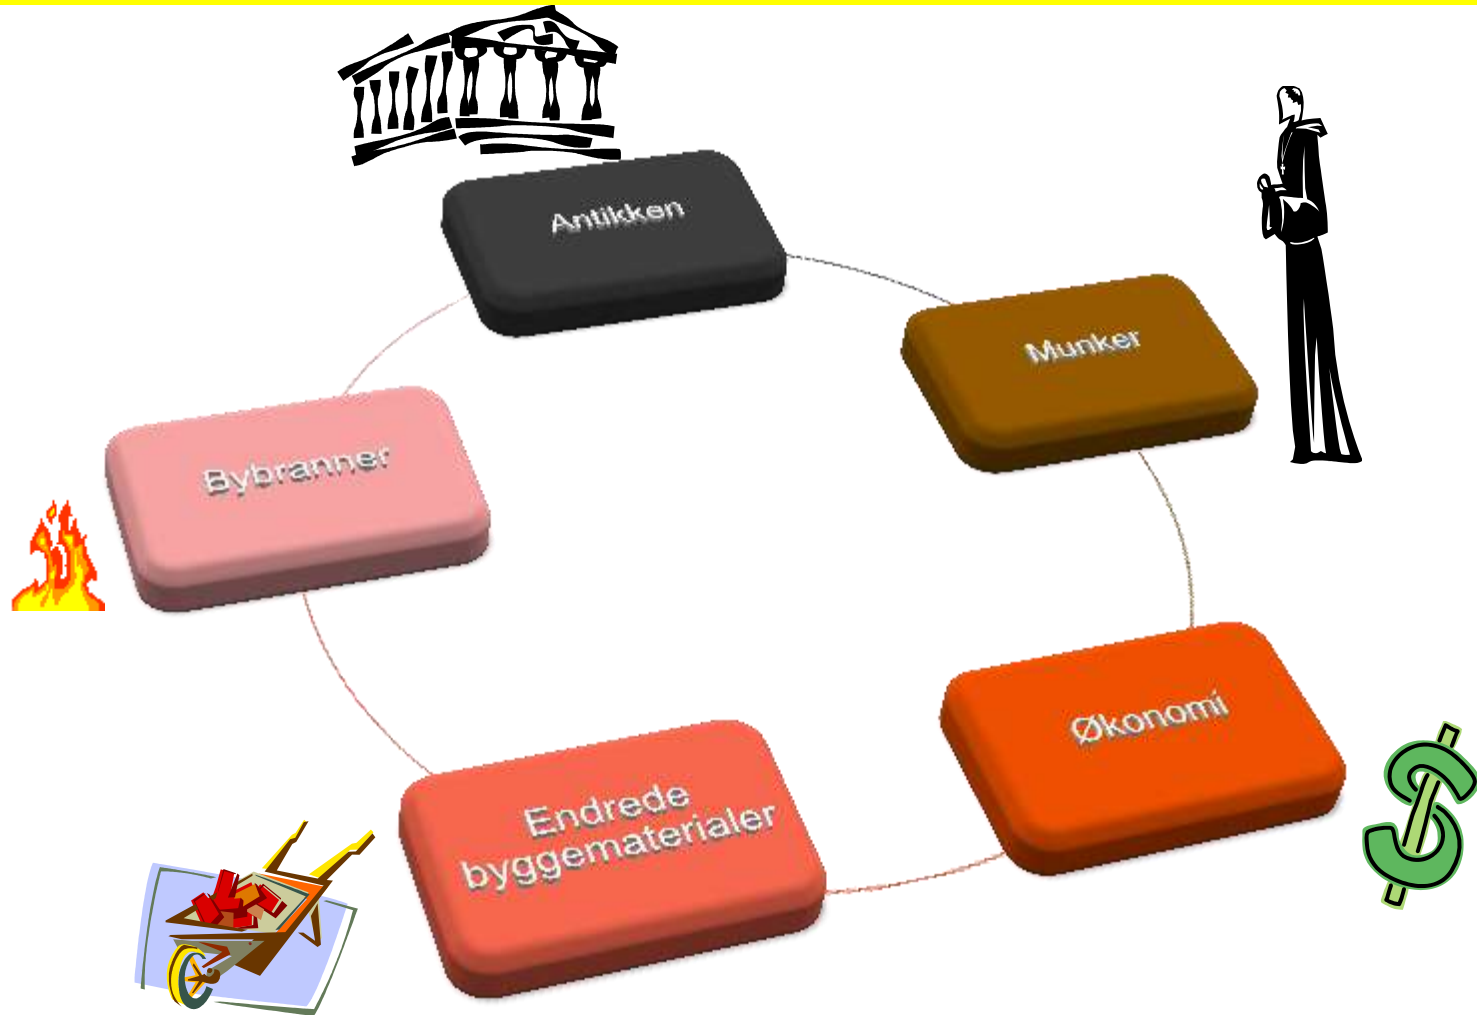

Forventninger og levetid

# A traditional solid wall construction building

# Litt kort historikk

# Kalkstein (Råvare)

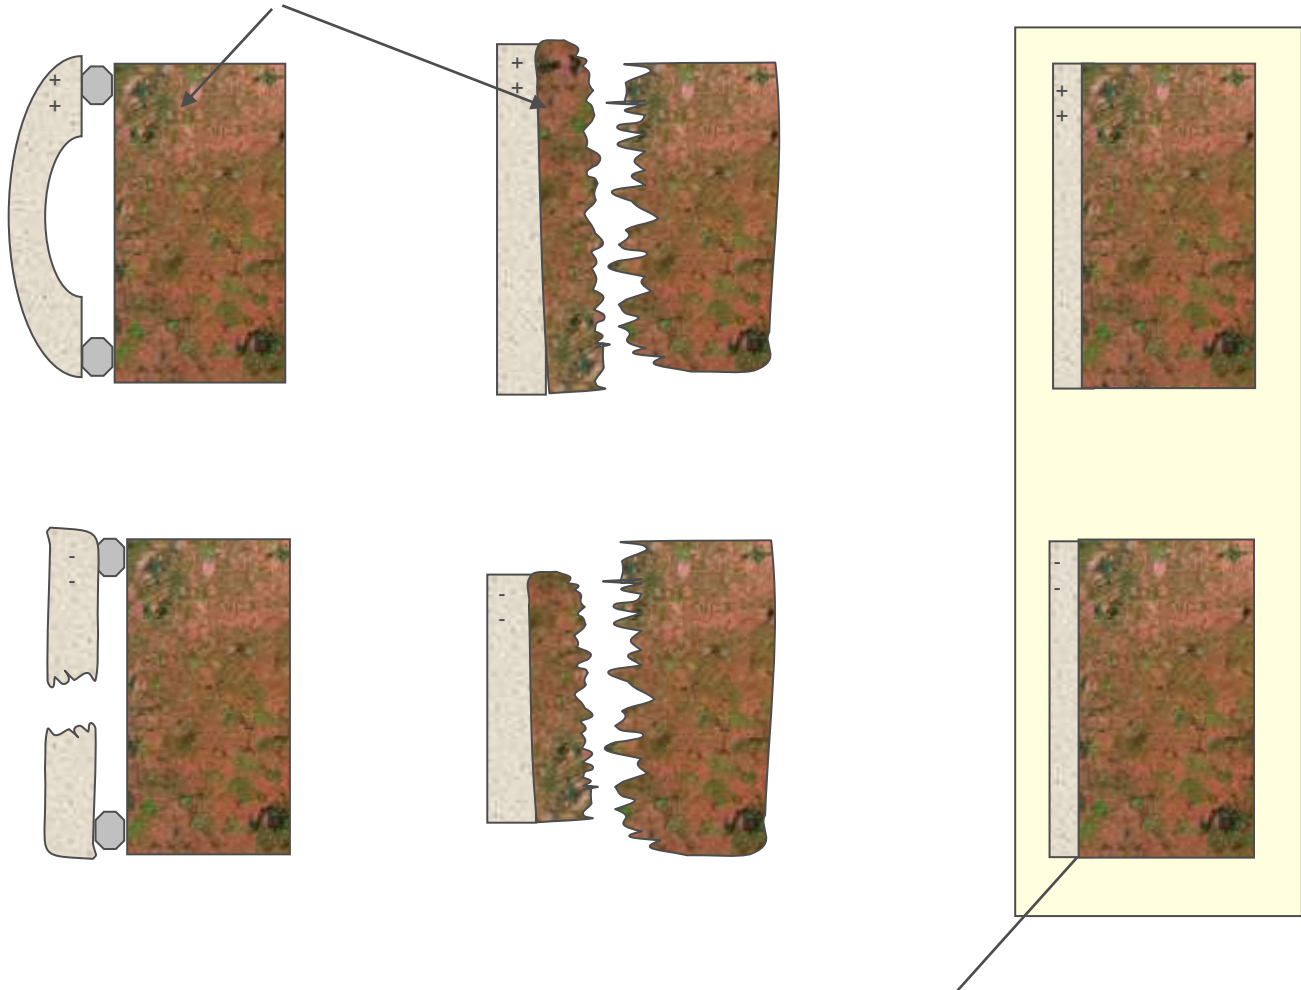

NYTT

Rehab.

Sterkere puss enn underlaget

Ved tilpasset og svakere puss enn underlaget vil heften være god uansett vær og påkjenning

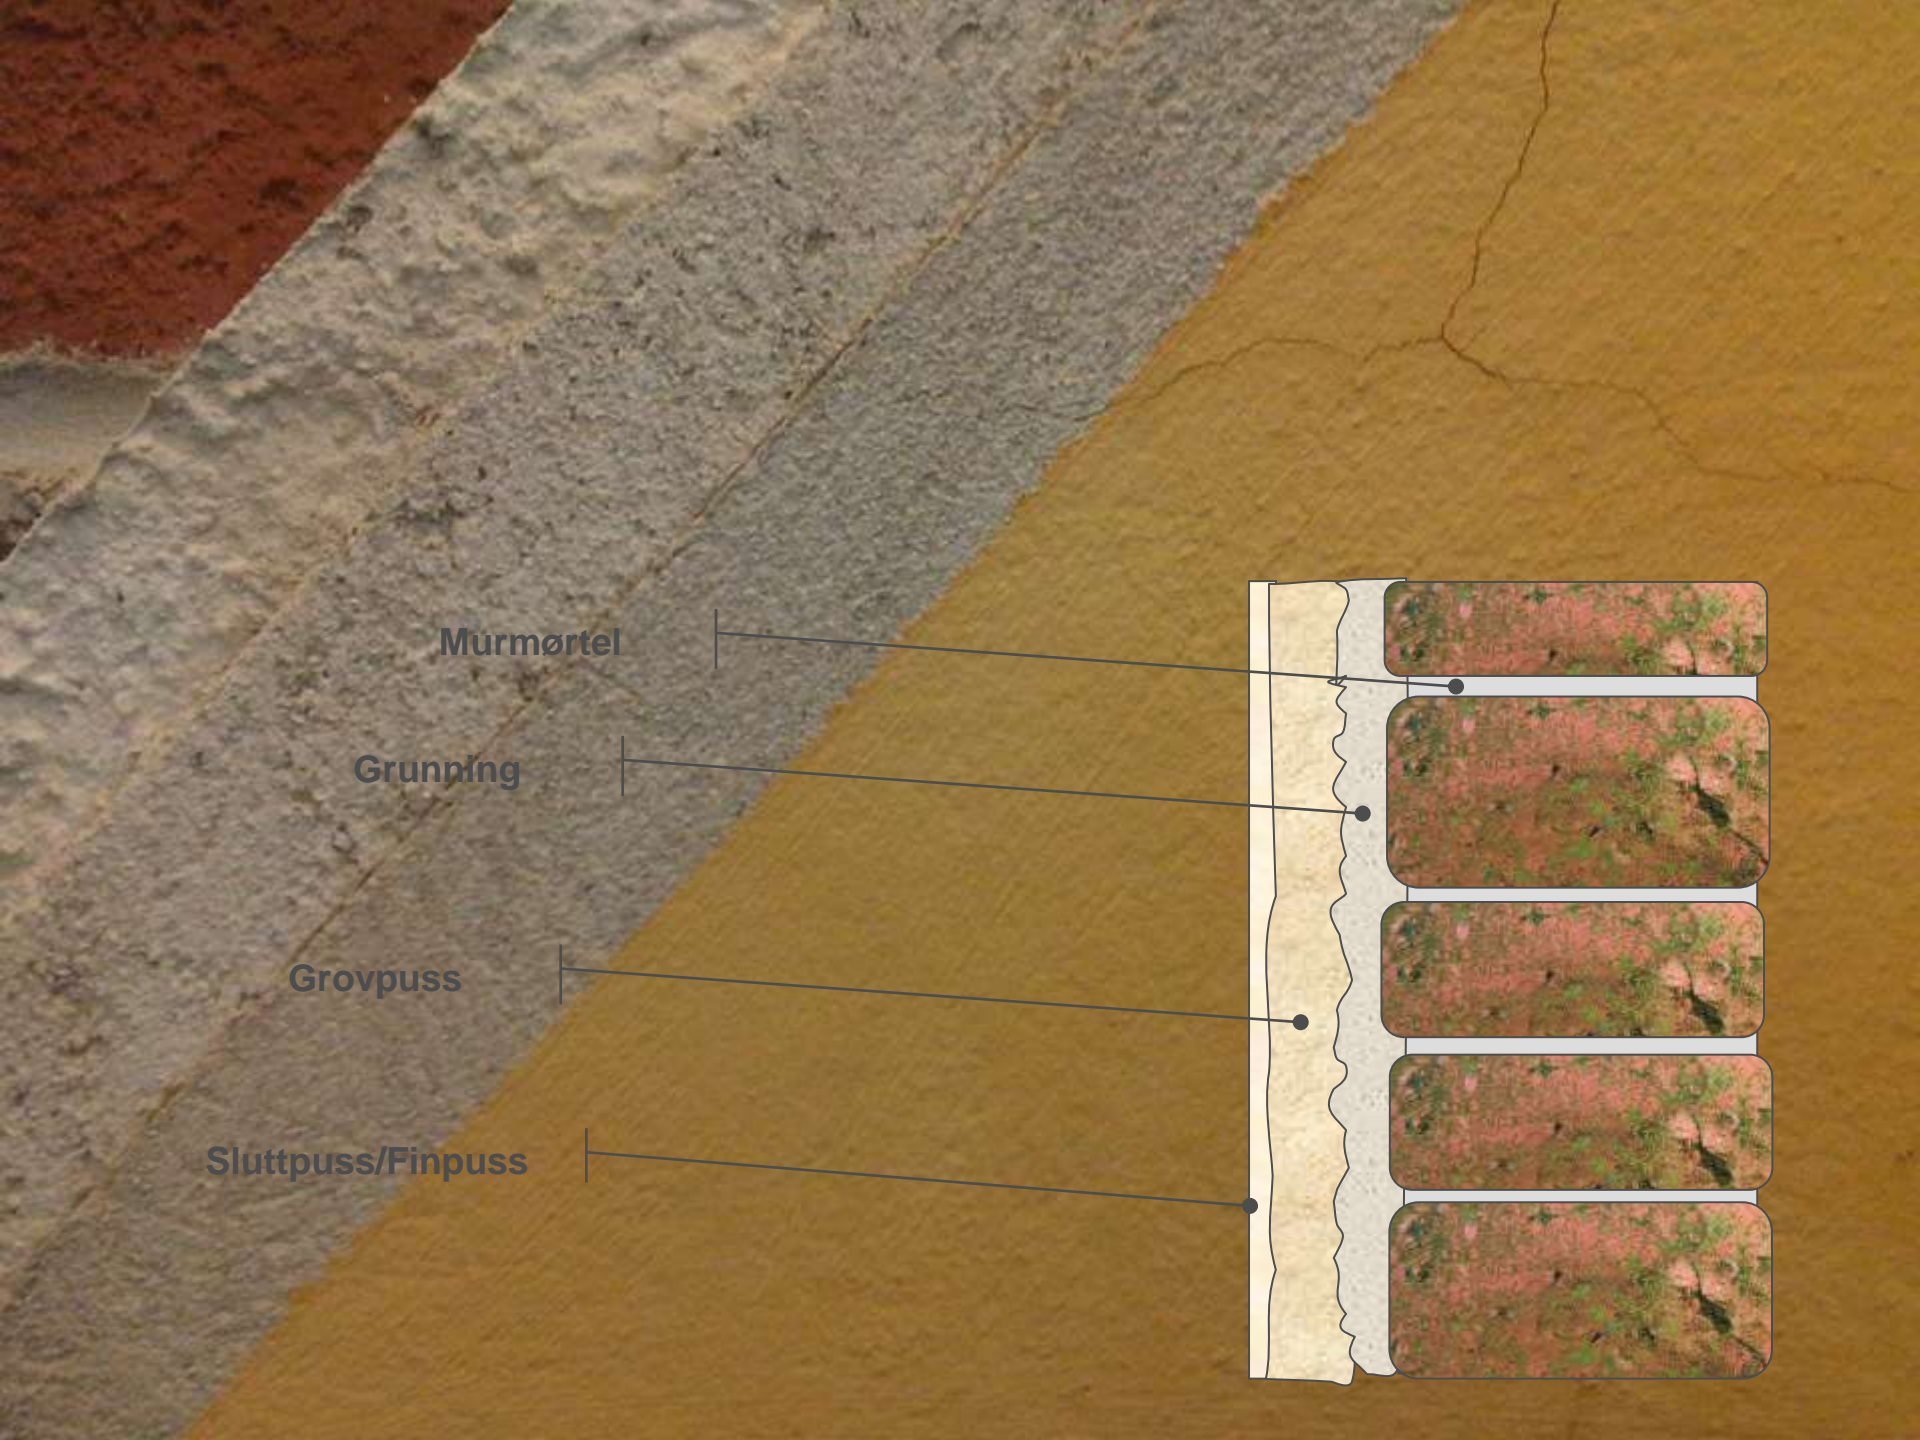

**Murmørtel**

**Grunning**

**Grov puss**

**Slutpuss/Finpuss**

Tusen takk for meg!

Camilla Sandem Dhelie
